**Opener, Middle Break**

**Four ladies’ chain** across you **roll away** and **circle left**  
**Four ladies’ roll away** and then you **circle left** around, and you go  
**Allemande left and weave**

\*I'm singin' to the world, it's time we let the spirit come in

**Swing and Promenade** (Let it come on in)

I'm singin' to the world, everybody's caught in the spin

Look at where we've been

Figure (Twice for Heads. Twice for Sides)

Heads (Sides) **Promenade halfway** you go **square through four**

Go all the way, do a **right and left thru**

**Veer left, couples circulate**

Half tag, scoot back and you go

**Swing** your corner, **promenade** home

And let it shine, shine, shine

All around the world

**Closer**

**Grand Square**

We've been closin' our eyes, day after day

Covered in clouds, losing our way

Do an **allemande left and weave**

But it's daybreak

If you want to believe, it can be daybreak  
**Swing and Promenade** (ain't no time to grieve)  
Said it's daybreak if you'll only believe  
And let it shine, shine, shine  
All around the world

**Alternative lyrics for middle break**

\*I'm singin' to the world, what's the point in puttin' it down?  
There's so much love to share (Swing and Promenade)  
I'm singin' to the world; don't you see it all comes around?  
The feeling's everywhere
