“NO PARKING ON THE DANCE FLOOR”

Called By
Vic Kaaria
(909) 335-8705

(Opener; Closer)

Sides Face, Grand Square

There's a party tonight, you're in a red light zone

If you don't want a ticket, you better move on

If you break the law, you gotta' pay your dues

Allemande Left and Weave

It's so easy, it's so right

It's so easy to rock it tonight

No parking, no parking on the dance floor

(Figure)

Heads/Sides Square Thru, and get four hands around you go

Out to the corner, do a Do Sa Do

Swing Thru today, Boy Run Right

As couples circulate, you wheel and deal

Pass thru, trade by, touch $\frac{1}{4}$ there

Scoot back, swing your corner, promenade

It's so easy, it's so right

It's so easy to rock it wit' your body baby

(Closer)

Four Men Promenade, one time, get back and swing

Join Hands circle left, Allemande Left and Weave the Ring

No parking, no parking on the dance floor

No parking, no parking on the dance floor
