Opener:

**Circle Left.** Life is a road we travel on. One day we're here the next we're gone. Sometimes you bend, sometimes you stand, then you turn your back to the wind. **Men Star by the Right Hand** round, one time in the middle and then, **left allemande** that corner girl **weave around the ring** you go. Life is a highway, I'm gonna ride it all night long. If you're going my way, I want to drive it all night long.

Figure:

**Heads (Sides) Promenade** I sing, half way round the ring. Come down the middle and **square thru four** hands round you do, four hands in the middle and then **right and left thru** my friends. **Veer to the left** for me, do a **ferris wheel** and deal. **Square thru three hands** in the middle of the ring go. **Swing that corner** and **promenade** her back home. If you're going my way, I want to drive it all night long.

Middle and Closer:

**Four Ladies promenade** get round in the middle and then. Run back and **swing** your man, go round and around again. Join hands and **circle left** get a walking on around I said. **Left allemande** that corner girl come back and **weave the ring**. Life is a Highway, I'm gonna drive it all night long. If you're going my way I want to drive it all night long.
