OPENER

Sides face, Grand Square

Such a feelin's comin' over me

There is wonder in most everything I see

Not a cloud in the sky, got the sun in my eyes

Allemande left the corner weave the ring

Everything I want the world to be

Is now comin' true especially for me Promenade

And the reason is clear, it's because you are here

You're the nearest thing to heaven that I've seen

FIGURES

Four ladies' Chain across the ring

Heads(Sides) Pass Thru with a Partner Trade

Square Thru it's four, four hands across the floor

All the way then do a Right and Left Thru

Pass Thru, U Turn Back

Swing this girl around and Promenade.

Is the love that I've found, ever since you've been around

Your love's put me at the top of the world

MIDDLE BREAK

Four ladies Chain across the ring.

Chain the lady right back home, I sing.

Join all of your hands, Circle Left around the land,

Allemande Left the corner Weave the ring.
*I'm on the top of the world lookin' down on creation
And the only explanation I can find
Is the love that I've found, ever since you've been around
Your love's put me at the top of the world*

CLOSER

Sides face, Grand Square

*There is only one wish on my mind
When this day is through I hope that I will find
That tomorrow will be just the same for you and me*
Allemande Left the corner Weave the ring
*I'm on the top of the world lookin' down on creation
And the only explanation I can find
Is the love that I've found, ever since you've been around
Your love's put me at the top of the world*
