Opening

Four ladies chain across you go, you chain them right back home you know
Join hands and circle left in a ring
Left Allemande and weave the ring
Into time passages, Swing your partner and all promenade
(Years go falling in the fading light)
Buy me a ticket on the last train home tonight

Figure (twice for heads, twice for sides)

Heads (sides) promenade half way around
Sides (heads) do a right and left through
Square through its four hands you go
All the way do an eight chain 4 into these time passages
Swing your corner and all promenade
Buy me a ticket on the last train home tonight

Middle Break

Grand Square

Hear the echoes and feel yourself starting to turn
Don't know why you feel that there's something to learn
Circle Left
It's just a name that you play
Left Allemande and Promenade

Closer:

Grand Square

Well the picture is changing, you're part of a crowd
They're laughing at something and the music's loud
A girl comes towards you, you once used to know
You reach out your hand, allemande left and you weave

Into these time passages, I know you're in there you're just out of sight
(Swing and promenade the ring)
Buy me a ticket on the last train home tonight
