## **“What About Us”**

Called by Renee' Ruud

**503-781-2713**

Opener:

Sides Face Grand Square

We are searchlights, we can see in the dark

We are rockets, pointed up at the stars

Allemande left and weave.

We are billions of beautiful hearts

And you sold us down the river too far

Figures

Heads/Sides square through four hands around the ring you go;

Dosado, make your wave.

Girls trade, girls run,

Tag the line all the way through,

Face to the right.

Chain down the line, turn your girl,

Slide through, swing and promenade.

What about love? What about trust? What about us?

Middle/Closer

Sides Face Grand Square

What about us? What about all the times you said you had the answers?

What about us? What about all the broken happy ever after's?

Allemande left and weave the ring.

What about us? What about all the plans that ended in disaster?

What about love? What about trust?

What about us?

TAG: Four Ladies chain over and back

What about love? What about trust? What about us?
