

“Rings (Ring Ring Telephone Ring)”

GWR-134

Called By: **Brian Freed**

Opener\Break\Closer

Circle Left (NOTE 3 Sets Of Lyrics * ** ***)

Open *Ring, ring telephone ring, somebody said baby whatcha doing?

Break * Ring, ring door bell ring, baby come on in got James Taylor on the stereo

Close * Ring ring, golden ring around the sun, around your pretty finger

Boys star right and go,*(I Think About You and Me)

*(just talkin' to Tony and Mario) *(with a happy tune, anybody can be a singer)

Alamande left and Weave **(No use fighting about things we can't recall),

**(I swear you never looked so dog gone pretty) **(You know they make good conversation)

Swing and Promenade the hall

***(it don't matter girl at all)

***(but girl that ain't no consolation)

Figure (twice for heads, twice for sides)

Heads (Sides) square through 4, make a right hand star

Heads (Sides) star by the left full around, then slide through

Square through count to three you know swing the corner, promenade

Tags

* * Just come on home, baby we'll laugh and sing
we'll make love and let the telephone ring.

* *Cuz I got love, baby I'll give you some and if somebody come, we'll let the door bell ring

* *Hand in hand we'll stand upon the sand with the preacher man, let the wedding bells ring
